

House Resolution No. 101

Whereas, the members of the Missouri House of Representatives feel it is altogether fitting and proper to pause from time to time to recognize individuals and organizations that have contributed to the welfare of this great state, particularly in the arena of education; and

Whereas, the members are pleased and proud to pause to recognize the members of the Laquey School Board, who have done an exemplary job while administering their school district; and

Whereas, the Laquey School District has three schools and more than seven hundred students; and

Whereas, the Laquey School Board works tirelessly and selflessly, with energy and dedication, to ensure the children in its district receive the best education possible:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join to extend our most sincere and most humble gratitude in recognition of the hard work routinely accomplished by the Laquey School Board, which too often goes unnoticed; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution the Laquey School Board.
